

Individual Membership Application

Let CPST be your workforce data source! For over 50 years, the Commission on Professionals in Science and Technology has collected, analyzed and disseminated the latest data on the education and employment of scientists and engineers. CPST's members include leading professional societies, non-profit organizations, corporate partners, academic institutions and individuals.

Individual Membership (\$75/year)

Benefits of Membership:

- Complimentary STEM Trends subscription (six print issues per year, weekly E-Alerts and unlimited access to online archive of past articles).
- Member discount on CPST publications, including *Professional Women and Minorities* and *Salaries of Scientists, Engineers and Technicians*.
- Twenty complimentary downloads from CPST's online human resources database.
- Invitations to meetings, workshops and symposia.
